

Future Chieftain Night

Thursday, May 24, 2018 @ 6:30 - 8 PM
@ Ponaganset Middle School

Ponaganset Middle School is looking forward to hosting next year's incoming students at our annual **Future Chieftain Night Ice Cream Social!** We welcome all 5th grade students for an evening of fun games, ice cream and an opportunity to meet and interact with their peers from the *Class of 2025!*

While students are participating in their event, there will be a **Parent Meet & Greet** in the gymnasium. Current PMS parents and students will be available for you to ask questions about your child's upcoming school year. We hope that hearing about what current PMS parents and students have learned and their advice on surviving the middle school years will be helpful during this important transition in yours and your child's lives!

Please R.S.V.P. by Friday, May 4th through the following SignUp Genius:

Ponaganset Middle School students have access to chilled filtered water at a Brita Hydration Station. The district Wellness Committee is selling 24 oz. The bottles are clear with a black lid, have a leakproof closure, fit in cupholders and bike cages, BPA free, and dishwasher safe.

If you would like to purchase a water bottle, please return this form with payment (cash or check payable to Ponaganset Middle School) to your child's teacher **by Friday, May 11th.**
